Thomas A. Peterson, City Manager City of Lodi Call Box 3006 Lodi, California 95241-1910

Dear Mr. Peterson:

As you are aware, San Joaquin County has an ambulance ordinance, which includes a provision to regulate ambulance rates charged in the County by setting a ceiling. These rates are reviewed annually by the Board of Supervisors, following an analysis conducted by emergency medical services agency staff. Last year, I requested your input on ambulance rates, prior to presenting staff's recommendations to the Board of Supervisors. Your input is requested for our analysis this year.

Please give me a call at 468-6818 if you have specific comments on the ambulance rate structure. I will be discussing the issue with the ambulance providers in the next month.

Sincerely,

Ele 27/2

Elaine L. Hatch EMS Coordinator

^{*} Emergency became part of BLS base rate in 1990; therefore, the increase calculated for 1990 BLS Base rate reflects actual increase without the emergency charge included. The ALS Base rate already includes an emergency charge.
